FOREWORD

Bluestone High School is an unpredictable place. It is a place where anything can happen, and it usually does. In what other place besides a public high school could so much be crowded into twenty-four hours? We might say that Bluestone has two distinct faces: one, BY DAY; the other, BY NIGHT.

Bluestone BY DAY - - - homeroom, classes, tests, meals, announcements, fire drills, activity periods, club meetings, practices, rehearsals, assemblies, interruptions, band and choral concerts, friends, arguments, discussions, challenges.

Bluestone BY NIGHT - - - football, basketball, baseball, Junior-Senior prom, May Night, Homecoming, Twirp Dance, the Miss Bluestone contest, the annual signing dance, plays, the Baccalaureate Sermon, Commencement.

Turn the pages and review the scenes you have known so well at Bluestone BY DAY--at Bluestone BY NIGHT.

DEDICATION

Mrs. Helen S. Gregory

This is the face of a devoted and dedicated person, one who has found her place in this world of today. She is always willing to assist students in any possible way at any time. Besides being a Senior Class sponsor and teaching four classes of eighth grade science, she also assists with counseling. Ready to help anyone who needs her, she is an example of one who puts others before self.

It is with love and deep respect that the 1963 GOLDEN LINK is dedicated to Mrs. Helen S. Gregory.

"A penny for your thoughts, Mr. Moore."

A BUSY DAY

Jane reports progress of the Senior Class candy sale at the basketball games to her homeroom teacher and Senior Class sponsor.

Mrs. Gregory is always willing to give helpful advice to all students. Here she and Tony discuss his future.

SENIOR CLASS

President	Bobby Griffin

	Mrs. Mary Lenhart, Mr. W. D. Conner

Almost five years ago on September 8, 1958, a group of 122 bewildered eighth graders entered the halls of Bluestone High School. As June 7, 1963, approaches, the seniors, now 108, seem to be just as bewildered--not because they are entering Bluestone, but because they are leaving the school that has seen them grow and mature BY DAY and BY NIGHT and are entering a new world that will consist of jobs, marriage, armed services, and further education.

Looking back over the past five years the Senior Class has many memories to be proud of--memories of BLUESTONE BY DAY and BY NIGHT. BLUESTONE BY DAY--the classes, the clubs, the money-raising projects, the practice in various sports, and the brief chats and hellos between classes; BLUESTONE BY NIGHT--the plays, the ball games, the banquets, the dances, Homecoming, and May Night.

As inexperienced eighth graders they had the first and only eighth grade dance in Bluestone's history, "Ye Ole Soda Shoppe," and many of the boys began to participate in J. V. sports. Upon becoming ninth graders they became active in extracurricular activities. In the tenth grade they proved their ability by giving a most successful winter dance, "Snow Fantasy."

With the junior year approaching, they saw that money-raising projects--the sale of stew, sweatshirts, nities, and pompons, dances, sweet sales, and the Miss Bluestone Contest--were important. They gave the Christmas dance, "'Twas the Night Before Christmas." By now many had received their Varsity letters in sports while others had received their certificates of membership in the Beta Club. In April, after four years of hard work, the Junior-Senior Prom, "Prestwould Plantation," was the climax of a dream come true.

As they became seniors, they received their long awaited class rings and took over the leadership of the school in classes, clubs, and sports. After giving the traditional Twirp Dance in February, they focused their attention on Graduation and plans for the future.

With a new world awaiting them, the Class of '63 will never forget the memories of BLUESTONE BY DAY and BY NIGHT, and, as they enter this new world, their experiences during the past five years will be invaluable in the role they will play.

In September it was good to see the bright and happy faces of Bluestone's new Junior Class. Alive with anticipation, the juniors set to work on plans for the best prom ever. They worked on such money-making projects as bake sales, a magazine drive, and a Christmas dance.

Meanwhile, the juniors applied themselves to such subjects as English, chemistry, geometry, and French.

But they found time, too, for extracurricular activities: publications, Monogram Clubs, Beta Club, F.F.A., F.H.A., and S.C.A. Yes, juniors have many responsibilities!

Now when we see members of the Junior Class in the halls, we know why they smile so readily. Next year they'll be seniors!

The thoughts of the next class brings delight to Bluestone students.

The Class of '65 returned to Bluestone in September ready for a year of hard work spiced with fun. Class officers were elected to organize the activities for the coming year.

The "hard work" of the tenth graders includes such preparatory subjects as Latin, algebra, and English for college-bound students. Business, agricultural, and industrial courses are other fields also offered in the sophomore curriculum.

Among the preparations for the next year's Junior-Senior Prom were money-making projects like the bake sale, which succeeded in boosting funds considerably. In spite of all the hard work, the students had fun and enjoyed working together.

Extracurricular activities in which the sophomores participate include the S.C.A., the GOLDEN LINK and MONITOR staffs, and sports. Also, for the first time, tenth graders are eligible for membership in the Beta Club.

The tenth graders, with pride in their past achievements, look forward to their remaining two years at Bluestone.

NINTH GRADE

As the 1962-63 school session got underway in September, a group of enthusiastic students composed the freshman class. Having attended Bluestone the previous year, the ninth graders entered with high hopes for the future and pleasant memories of the former year.

When the students became familiar with their new schedules, many branched out in different fields, preparing for the future. There were courses in the curriculum for the students seeking business careers as well as ones for those who are planning to enter college. Such subjects as English, Latin, history, algebra, business mathematics, biology, and geography were offered.

In many subjects they found more detailed study and research. For example, the biology classes worked with the dissecting of insects as well as the use of the microscope. David Copperfield became a very familiar character in the ninth grade literature books. In algebra they studied graphs, verbal problems, and equations.

As the ninth graders entered their second year at Bluestone, they found many extracurricular activities in which they could participate. These included GOLDEN LINK, Monitor, S.C.A., J. V. Football, J. V. Cheerleading, F.F.A., and F.H.A.

With their second year of high school behind them, the class of 1966 prepares to meet the challenges of the future. They have new ideas and goals to meet in the coming years, and they take pride in the part they have played in the school's advancement.

With the opening of school in September came a crowd of smiling but confused new pupils. These were the eighth-graders--the class of '67. Having been welcomed by the older students, they proceeded to learn all about the new life at Bluestone.

As the year wore on, many of the eighth graders took part in the extracurricular activities offered to them. These included J. V. Cheerleading and J. V. Football and Basketball.

As the year comes to a close, older and wiser smiling pupils eagerly await the coming of another September when they, as upper classmen, can welcome the incoming eighth grade.

French is one of the most enjoyed subjects taught at Bluestone. French I Class: Parlez-vous francais?

Frequent drills at the board convince students that Latin may not be such a dead language after all.

LANGUAGES AND SOCIAL STUDIES IMPORTANT COURSES

The most important aspect of a high school education is the actual knowledge a student gains. Opportunities for learning are numerous at Bluestone High School, but the student must be willing to take advantage of them.

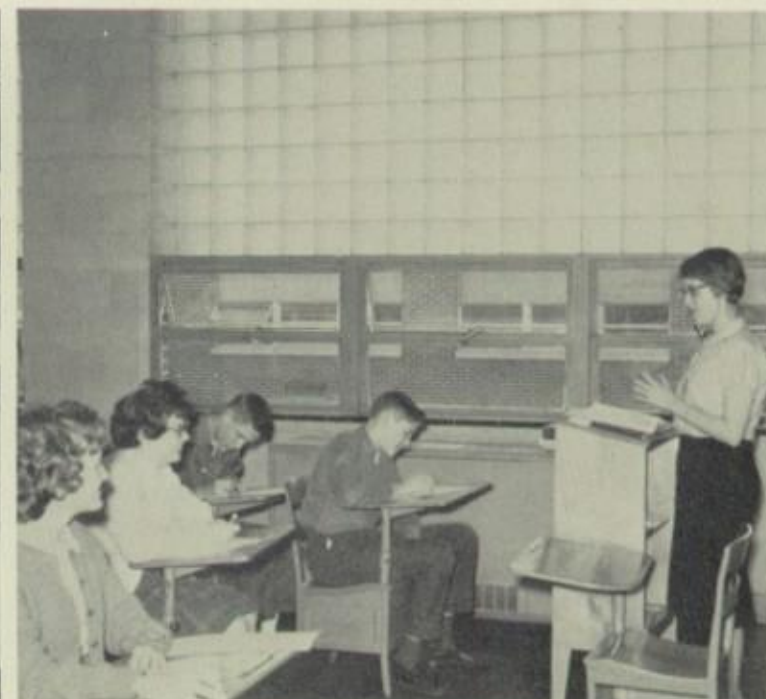

Five years of English are required for graduation from Bluestone. In the English department there are Mrs. Hilda Collins, Miss Shirley Albertson, Miss Polly Batts, Miss Mollie Lambert, Mrs. Agnes Jeffreys, and Mrs. Elizabeth Stumps.

Two foreign languages are taught at Bluestone, French and Latin. Instructors for these courses are Mrs. Laura Bragg and Mrs. Bernice Owen.

In the social studies department, there are Mr. O. B. Crowder, Mr. Joe Plaster, Mr. Edward Blaine, and Miss Arlene Sheffield. Subjects taught include government, United States and world history, and civics.

Sixth period government class works on a test.

Miss Albertson's tenth graders listen to the analysis of a poem.

Janet, Nancy, Phyllis, and Linda busily type drills in their first year typing class.

PREPARATION FOR FUTURE

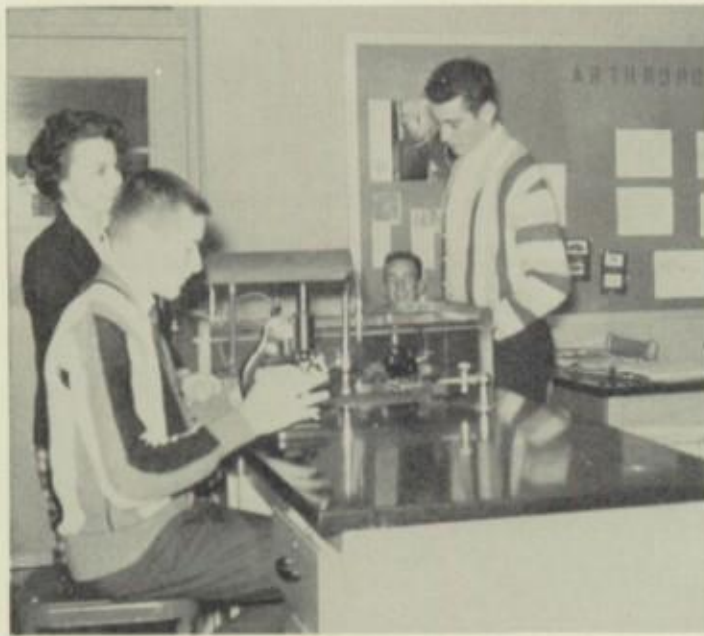

Under the guidance of Mrs. Mary Lenhart, Miss Sylvia Wilmoth, Mr. Gene Pfoutz, and Mr. Berman Scott, the business education department at Bluestone thrives. After graduation, many students are able to obtain jobs because of the training they have received at Bluestone. Courses offered are typing, bookkeeping, shorthand, general business, office practice, business mathematics, and business law. With new and modern machines, the department progresses each year.

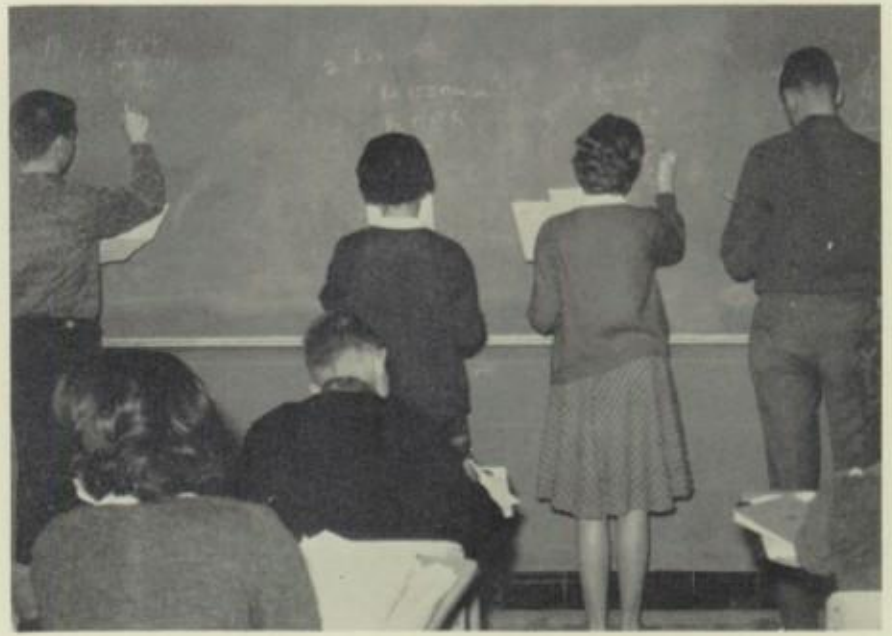

Feet flat on the floor, books in position, begin.

Mr. Pfoutz explains an example on the board during his fifth period bookkeeping class.

Curtis Ray examines a slide under the microscope, and James looks in the aquarium while Miss Turner watches.

Harry, Ellen, Arlene, and Chandler solve their problems at the board--in solid geometry, that is.

MATH AND SCIENCE BECOME INCREASINGLY IMPORTANT

Every day, math and the sciences are becoming more important to the life of each individual. This is the scientific age, the age of astronauts and missiles, exploration and discovery. A well co-ordinated program is in effect at Bluestone. Math, algebra, plane and solid geometry and trigonometry are taught by Mrs. Jo Anne Andrews, Miss Delores Choca, Mrs. Betsy Greene, and Mrs. Rachel Pixley.

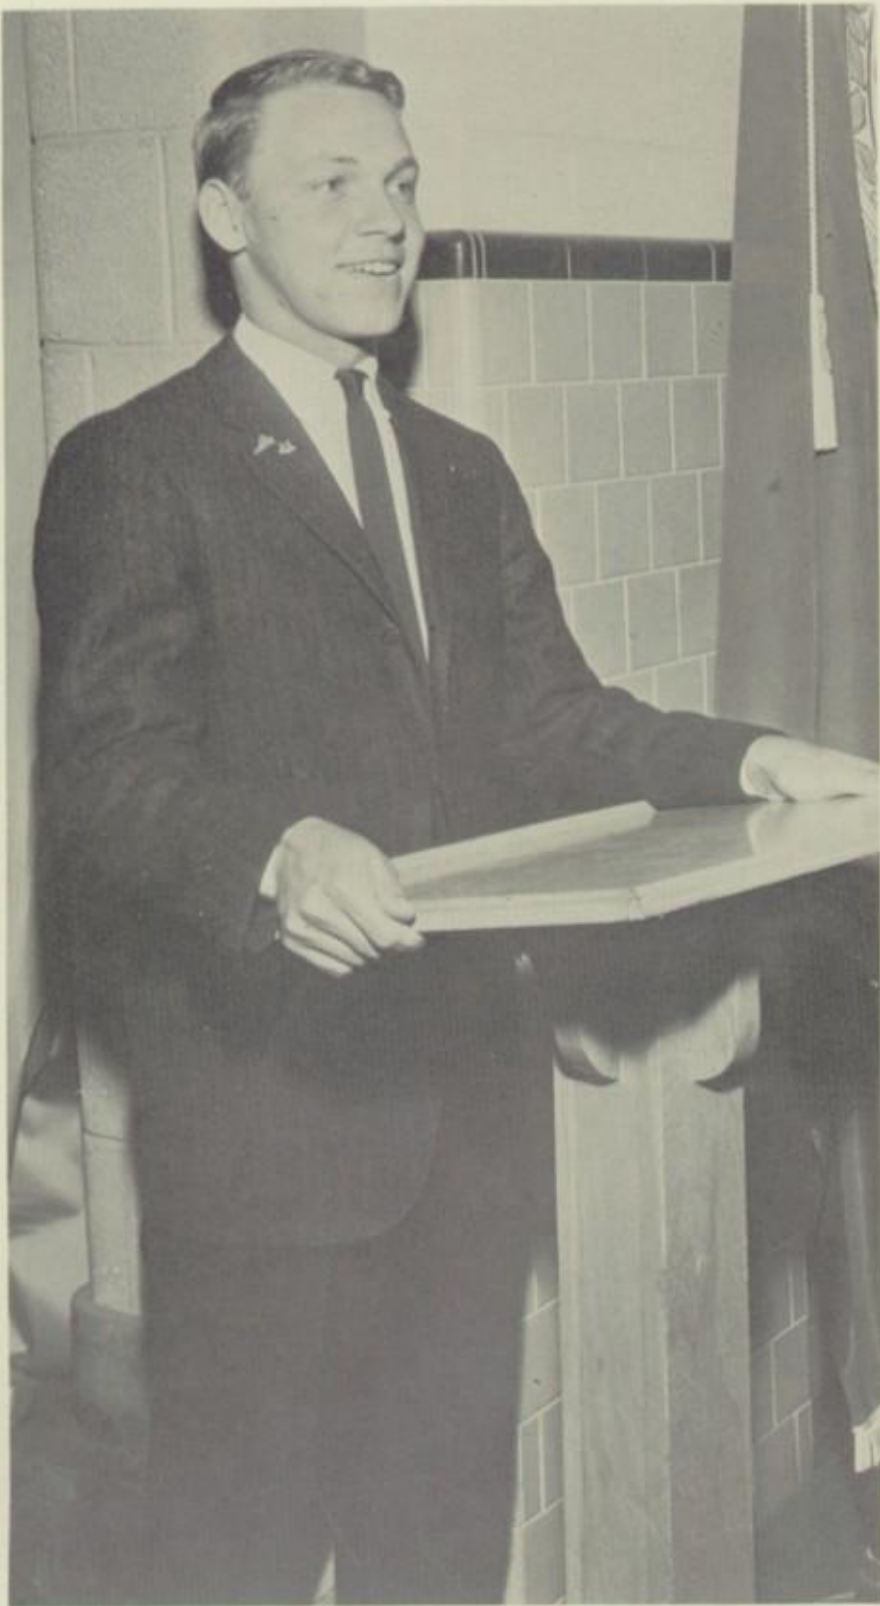

Teachers of biology, general science and chemistry are Miss Emily Turner, Mrs. Helen Gregory, and Mr. Harvey Jeffreys.

"Butch" Davis and Ann Yeates consult Mrs. Andrews for help with their math.

SCA LEADS DEVOTIONS BY DAY . . .

John Elliott, President

Each homeroom elects representatives to the Student Council Association, the governing body at Bluestone. The student body elects officers in the spring so that the SCA is "all set" the next fall to direct such school activities as the morning devotions, the blessing in the cafeteria, arranging and conducting assemblies, setting up meeting schedules for school organizations, Homecoming festivities, Christmas sharing, and the May Night celebration.

This year the SCA performed a new service by making a driver-survey for the Safety Committee.

The SCA headed the drive for Bluestone's speaker system and donated the largest sum towards its purchase. This year the organization has donated \$100 for the new record player.

An amendment to the Constitution now makes it possible for any student with a C average to become a candidate for an SCA office. Also, instead of directly electing only the president, the entire student body now elects all officers in the spring campaign.

The newly elected president and vice-president attended the State Convention at Madison College April 5-7.

The Beta Club, reorganized at Bluestone in 1961 after several years of inactivity, is a national service organization that encourages leadership, commendable attitudes, and scholarship among students. To qualify for membership, a student must maintain an average of B in each subject.

On the fifth of November, in the Key Induction Ceremony, forty students became new members of the Club, boosting the total membership to seventy-seven.

Under the leadership of the Executive Council, including the officers of the Club and two members elected at large, Dorothy Humphreys and Jackie Thompson, the members planned a Christmas assembly program jointly with the Band and Choral Club. Because bad weather closed school on the day of the program, the pageant was presented in January for the P.T.A.

As a money-making project, the Club sold drinks at all home basketball games. Other projects included the preparation of a school handbook to be published next fall, a donation to the school's new record player, and the institution of an Honor Code at Bluestone with the presentation of an assembly program stressing character and honor.

Fifteen delegates attended the State Convention at Hotel John Marshall in Richmond, March 15-16, where they entered talent competition.

The MONITOR, our school newspaper, is published monthly by the Journalism Club at Bluestone. Members are selected by competitive tests, given every spring, and officers are elected by the Club.

The members meet on Tuesdays after school to work on copy and in the evenings to correct proof and to make the dummy. They also sell advertisements in Chase City, Boydton, and Clarksville to help finance the paper.

In April, MONITOR representatives attend the Southern Interscholastic Press Association, meeting at Washington and Lee in Lexington. They return with new ideas and renewed enthusiasm for their work. Last year, the MONITOR received an Honor Award.

This year the Staff took several steps to improve the MONITOR in content and appearance. Using a better grade of paper, enlarging the format, improving headlines, and including more pictures and feature articles were some of the changes.

YOUNGEST PUBLICATION ENTERS THIRD YEAR

SCRIBBLERS, organized in 1959, encourages student writing at Bluestone. Twice a year the staff issues a duplicated magazine of poems, stories, and essays.

This youngest of publications in the high school may some day come out in print. So hope the editors.

Students interested in creative writing and magazine publication make up SCRIBBLERS' Board of Editors. English teachers submit efforts of promising writers from their classes to the Board, which reviews and edits acceptable work. Members of the Scribblers are assisted by Mrs. H. M. Collins, sponsor.

A most appropriate motto, "Good writing means re-writing", is accepted and followed by all the Scribblers.

EXECUTIVE BOARD PLANS, EDITS YEARBOOK

Last spring, Bluestone delegates attended the SIPA convention in Lexington where the 1961 GOLDEN LINK received a first-place award. After attending classes and clinics, the delegates returned to Bluestone with new ideas for the 1963 annual.

Under the leadership of Jane Brewer, editor, the forty-five member staff, including fifteen new members, began work on the 1963 GOLDEN LINK in September.

Staff members began to work in earnest on layouts after individual and group pictures had arrived. Soon everyone on the staff realized how inexperienced he was and how much hard work it takes to meet an annual deadline.

FORGING THE GOLDEN LINK . . .

Becky Russell, Assistant Editor; Jane Brewer, Editor-in-Chief.

After many trials and tribulations, the 1963 GOLDEN LINK finally went off to press.

This year's annual has a cover designed by Bluestone students, yet it is not as expensive as the custom-made covers usually used.

The price of this year's yearbook was raised from \$4.00 to \$4.25. Even though the price was higher, 537 annuals were sold--more than had ever been sold before.

To present an accurate and vivid picture of Bluestone by day and by night, in the 1963 GOLDEN LINK, the annual staff tried to use more pictures of students in action and more copy telling about student activities.

Mr. Walter D. Conner, Director

The Bluestone Band, under the leadership of Director Walter D. Conner, has been active this year. In addition to playing at pep rallies and during football games, the Band also gave half-time performances at games.

This group led the South Central Fair parade and marched in the Harvest Festival parade in South Hill. Other parade performances of the Band include the Christmas parades in Chase City, Oxford, and Danville.

The Band sent four representatives, Ellen Phillips, Nickie Collins, Tommy Tuck, and Milton Mills, to All-State Band try-outs in December. Ellen earned membership in the All-State Band, and Nickie, the Workshop Band.

A Christmas concert for the P.T.A. and spring concerts in Chase City, Boydton, and Clarksville were also on the calendar.

All Band members worked hard preparing for the District Music Festival in March.

MUSIC CLASS JOINS CHORAL CLUB IN CONCERT

Joyous Music Fills Night at Christmas Concert.

The Beginners' Band is composed of eighth grade students who receive instruction on their instruments in preparation for playing in the regular band. Next year they will be promoted to Junior Band.

This year, for the first time, Bluestone had a combined general music and choral group, directed by Mr. Conner. The class studied music elements, theory, and history on Tuesdays and Thursdays and sang on Mondays, Wednesdays, and Fridays. Several times during the year, the group joined the Choral Club in performances.

CHORAL CLUB GROWS IN POPULARITY

Mrs. Elizabeth Owen, Director, and Diane Greene, Accompanist.

The Choral Club, under the direction of Mrs. Elizabeth Owen, is a popular class at Bluestone. The chorus participates in such activities as assembly programs and P.T.A. meetings. With Director Walter Conner's General Music Class, the chorus joined the Band in giving a Christmas concert for the P.T.A. . In the spring, the Choral Club again joined forces with the Band and gave a concert.

The Girls' Ensemble is a group of nine talented girls selected by Mrs. Owen. The group practices after school each week for its performances with the Choral Club and for special occasions.

Girls who have earned a varsity letter in cheerleading, basketball, or as a basketball manager may become members of the Girls' Monogram Club. A cheerleader is given a letter when she is elected to the squad. Basketball players earn their letters by playing one more than half the total number of quarters within a season.

MONOGRAM CLUBS HOLD JOINT MEETINGS . . .

In this year's Club, sponsored by Miss Brenda Langdon, there are twenty members. Nine of these have letters for cheerleading, five for basketball, four, for managing, and two, letters for both cheerleading and basketball.

Each year the girls help in giving the annual Athletic Banquet. Sometimes they hold joint planning meetings with the Boys' Monogram Club. Outstanding among this year's fund-raising projects in support of the Banquet was a basketball game between the ladies of the faculty and the girls' basketball team.

Any boy who participates and receives a letter in varsity football, basketball, track, or baseball is eligible for membership in the Boys' Monogram Club. Managers who receive letters are also included in the Club. The requirements for a letter in football and basketball call for playing in one more than half the total number of quarters. For track, one must participate in four meets and have a total of ten points. Baseball players must participate in one more than half the total number of innings. The pitcher, however, must pitch twenty-one complete innings or three full baseball games.

In March, the Club sponsors its annual Talent Show to raise money for the Athletic Banquet.

The Future Homemakers of America, better known at Bluestone as the FHA Chapter, has continued this year to work on improving the clinic and landscaping the school grounds.

The Chapter elected officers in the fall and set up a Program of Work with definite goals to be accomplished at each meeting. Each class in home economics has a representative on the FHA Council, and each class participates in carrying out the Program of Work.

Judy Riggan, grade 10, represented Bluestone at the FHA State Convention at Old Point Comfort last June. At this meeting, Hilda Jones was elected State Historian.

"Teenage Consumer" has been Hilda's State Project.

Additional honor came to the Bluestone Chapter when the Twin County Federation (Mecklenburg and Lunenburg) elected Helen Fallwell, grade 11, as Vice-President, and Judy Riggan as Historian.

The Chapter followed tradition last fall by entering numerous exhibits in the South Central Fair and by bringing home ribbons and prizes. The Chapter Exhibit on Teenage Consumer placed second.

These have been the high-lights of the year. Chapter members, as they work on their home projects, look forward to the annual Spring Rally, another State Convention, and--just possibly--camping at Mogart's Beach in Smithfield.

4-H'ERS RECOGNIZED FOR OUTSTANDING WORK

OFFICERS--Kaye McCutcheon, President; Garland Hoyle, Vice-President; Joyce Young, Secretary-Treasurer; Janet Dagenhart, Reporter. Sandra Edgerton, Delores Yancey, Song Leaders.

The Bluestone 4-H Club is a group of boys and girls who are interested in farming, homemaking, or community activities under the guidance of County Extension Agents, Mr. Dean Agee and Mrs. Judy S. Minter.

During National 4-H Club Week, members planned and put up a bulletin board display at Bluestone.

Elizabeth Brewer, Brenda Williamson, and Garland Hoyle participated in the District Demonstration Contests in 1962. Garland placed first in the District Contest and later, in June, was awarded first place in the State Forestry Demonstration Contest held at VPI. He received a portable radio as his prize.

Two Bluestone officers, Kaye McCutcheon and Garland Hoyle, also hold offices on the 4-H County Council. Garland is treasurer, and Kaye, reporter.

Dorothy Buchanan and Brenda Williamson have been tapped for membership in the 4-H Honor Club.

In December, Mecklenburg County 4-H'ers were awarded medals for achievement in different areas. Those from Bluestone winning honors were: Elizabeth Brewer, Home Grounds Beautification, Public Speaking, Home Economics, and Leadership; Dorothy Buchanan, Clothing; Brenda Williamson, Home Economics; and Garland Hoyle, Citizenship.

FFA CHAPTER HAS SUCCESSFUL YEAR

The Future Farmers of America, or FFA as it is commonly known, is the national organization of boys studying vocational agriculture in public secondary schools.

As an integral part of the program of vocational agriculture in the public school system of America, the FFA has become well-known. No national student organization enjoys greater self-government under adult counsel and guidance than the Future Farmers of America.

The FFA is an intra-curricular activity having its origin and root in a definite part of the school curriculum. Among other things, members learn, through active participation, how to conduct and take part in public meetings, to speak in public, to buy and sell cooperatively, to solve their own problems, to finance themselves, and to assume civic responsibility.

The foundation upon which the Future Farmers of America organization is built includes leadership, character development, sportsmanship, co-operation, service, thrift, scholarship, improved agriculture, citizenship, and patriotism.

The FFA motto consists of only four lines, but these lines are filled with practical philosophy, reflecting a spirit and sincerity that shows the true viewpoint of rural youth: LEARNING TO DO, DOING TO LEARN, EARNING TO LIVE, LIVING TO SERVE.

The Bluestone FFA Chapter has a distinguished history. The Degree Team represented Virginia in 1961 at the National FFA Convention in Kansas City. George Gordon, a former member now at VPI, has received the State Farm Mechanics Award.

The department of vocational agriculture at Bluestone is now in its eighth year with an enrollment of 114 students. They began a successful year by entering a large number of crop and livestock exhibits in the October, 1962, South Central Fair where they won many premiums and awards. Chapter members planned to build a livestock show ring and to hold a field day for exhibiting stock and displaying other work. Construction of a patio for storage between the agriculture and industrial arts buildings was also begun.

Milton Tuck was declared the winner of the wildlife border contest sponsored by the Buggs Island Fish and Wildlife Organization. This contest was sponsored as a means of encouraging members to establish, maintain, and improve wildlife practices on their home farm. As top contestant, Milton planned his border location well by taking advantage of natural cover and water; also, his border yielded a large production of seed and grain for quail and other forms of wildlife. Other winners in the contest were Curtis Johnson, second; Tom Champion, third; and Joe Williamson, fourth. Each of these vocational agriculture students received a check as his award.

Bluestone's Barons had a better than average football season, ending with a 6-4 record. The disappointments were that only three victories were district games. Three losses were district also. Bluestone tied with its long time rivals, Park View, in fourth place.

In the Barons' first game, September 22 with Norlina, they showed their strength and ability by their 27-6 win. Scoring were H. J. Newcomb, Tommy Walker, and Jimmy Puryear.

October 28, the Barons played one of their fine games against the Buckingham Buccaneers. At first neither team was able to move the ball, but after Tommy Walker scored the first touchdown, the victory was sure to be Bluestone's. By the end of the fourth quarter, the Barons led 28-0.

The fourth game of the season against Brunswick proved to be Bluestone's first upset. Both teams had been picked by the RICHMOND TIMES DISPATCH as the teams to watch in District III competition. Although the Barons fought hard, they were unable to hold back the Bulldogs. Bluestone's only touchdown was scored by Randy Thompson, and H. J. Newcomb kicked the conversion. Thus, the game ended 26-7.

DISTRICT COMPETITION

Coach Crowder briefs the players.

On October 12, the Barons came back with a 13-7 victory over their rivals, Park View, giving them a 4-1 record for the first half of the season. Tony Accettullo and Jimmy Pur-year scored TD's, with H. J. Newcomb making the extra point.

Bluestone also walloped the Victoria Panthers 33-0. The Barons broke the game wide open in the first few minutes as H. J. Newcomb scored on a 55 yard end sweep. Mac Burnette, scoring in the second quarter, and Bobby Griffin in the third after intercepting a pass on the Panther one yard line, boosted the BHS score. Randy Thompson and Tom Burnette also made touchdowns.

Next, on October 26, Bluestone's Homecoming, the Barons met Greenville here. At half-time, the Barons were leading 7-0 on H. J. Newcomb's run of 25 yds., the extra point also being scored by Newcomb. But during the second half Emporia scored two touchdowns on end runs, making the final score 13-7.

Bluestone also lost to Appomattox the following week in a hard-fought defensive football battle. Play during the first half, dominated by BHS, ended in a scoreless tie. However, in the second half Appomattox broke loose on Bluestone's 15 yard line and scored. Bluestone came back with a touchdown made on a 11-yard end run. The Rebels, intercepting two of Bluestone's passes, scored the deciding touchdowns.

On Nov. 9, the Barons were overcome by the Randolph-Henry Statesmen in a hard-fought battle. With only a few minutes left in the game, Bluestone scored its only touchdown, but failed to make the extra point, making the final score 7-6.

The Barons ended the season with a 6-4 record after their victory over Prince Edward. At half-time the Barons were leading 7-6, and by the end of the game the final score was 13-6. Leonard Towery was recognized as the most outstanding player of the game, and was given a football by the coaches and players.

Striving for victory, the cheerleaders put in many hard hours, practicing in the day and cheering at night. Before school began, they visited twice with the Manchester High cheerleaders in Richmond and exchanged cheers. When they returned, realizing that they needed a great deal of work, they settled down to many long, tiring practices. In November they were awarded a Second-place Sportsmanship Award. The winners of awards were voted upon by District III cheerleaders.

The Junior-Varsity team is composed of eighth and ninth graders. This year the "Rinky Dinks" ended their season with a 2-1-1 record.

The entirely new Bluestone Junior-Varsity team outscored the Victoria J.V.'s in their opening game 6-0. The only score was made by Tommy Taylor.

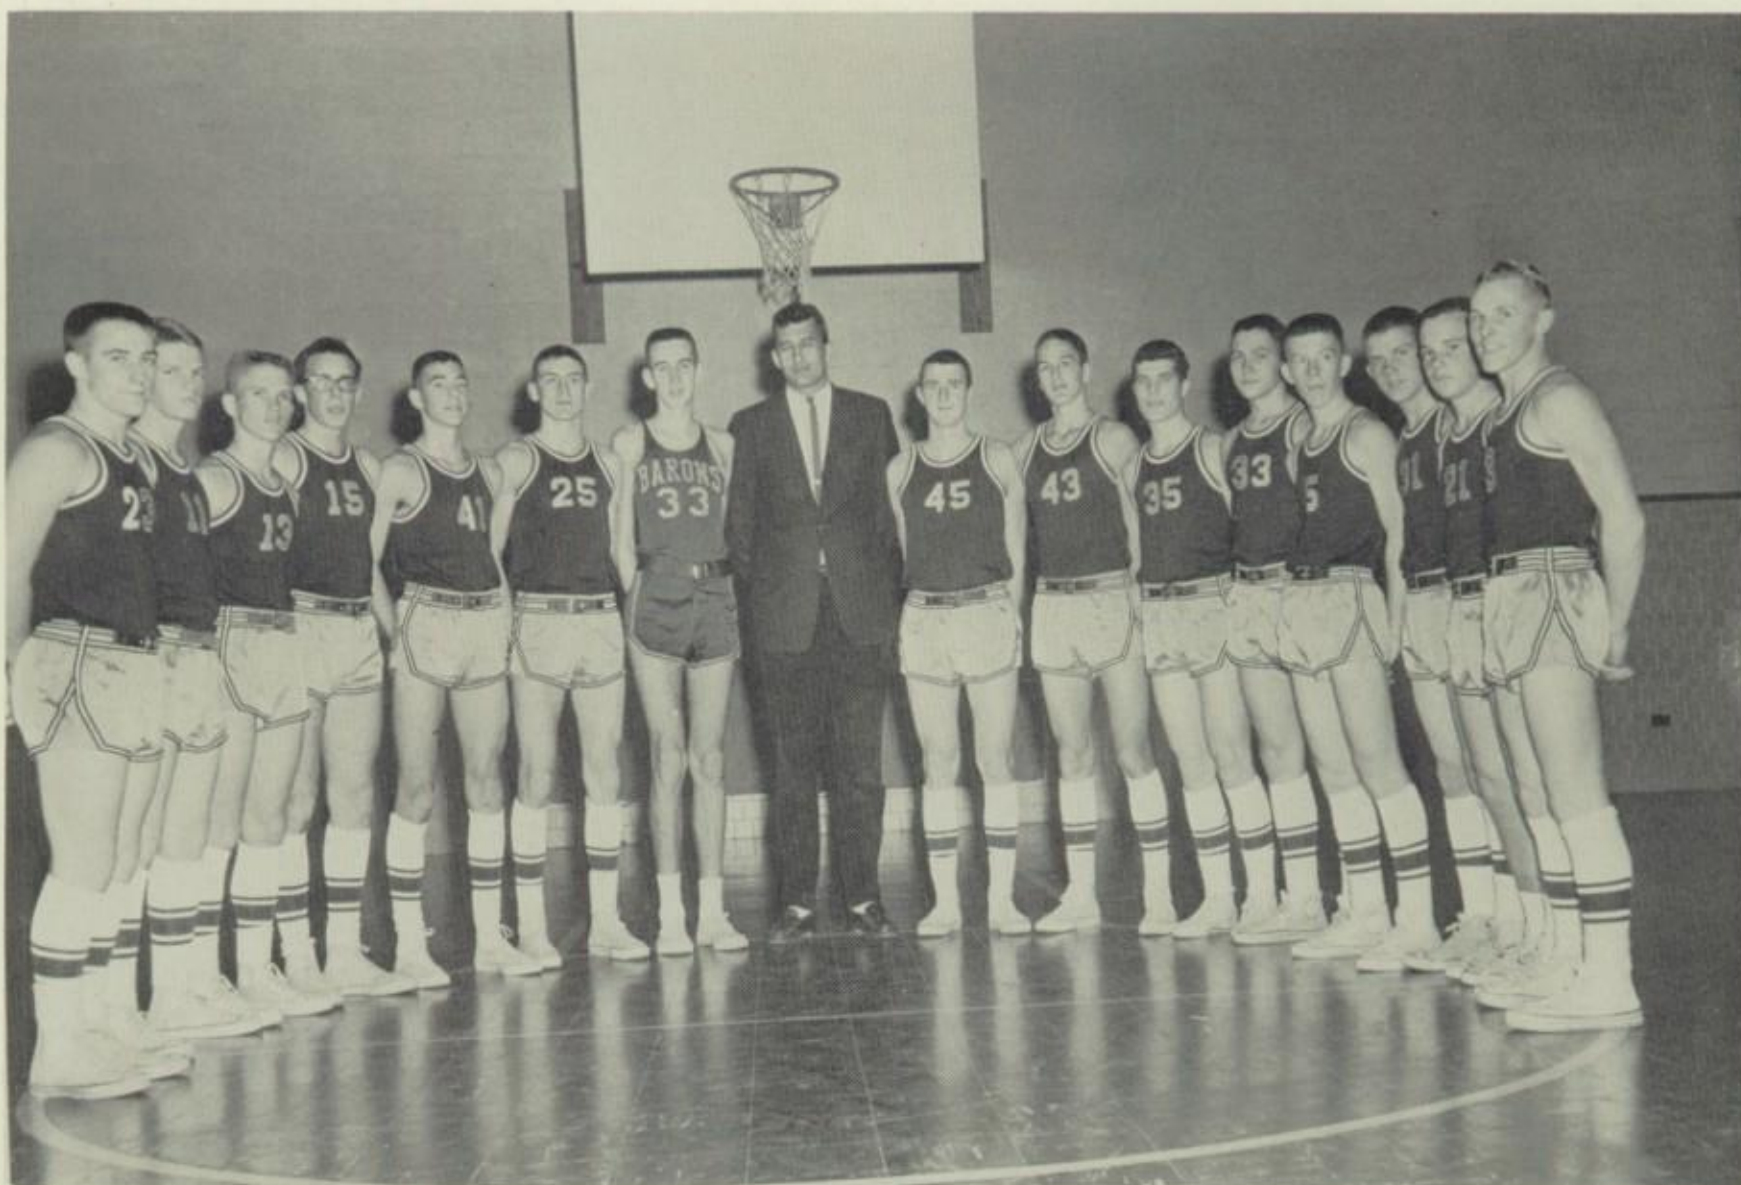

Next the Park View J.V.'s fell prey to Bluestone. Most of the action took place on the 50-yard line during the first half, but Bluestone's strategy began working as most of the second half was played in Park

View's territory. The only score was made by Billy Judy on a quarterback sneak with David Griffith making the extra-point on a running play. Thus the game ended 7-0.

Undefeated after two games, the Junior Varsity team tied a hard fought Park View game 13-13. This game tied the J.V.'s for first place in the district. Tommy Taylor and David Griffith scored for Bluestone.

In the J.V.'s final game of the season, they suffered their only defeat of the year, falling victim to Brunswick 13-0. The team played well but was hurt by penalties. Robert Woltz, David Griffith, Phillip Glassco, and George York led the "Rinky-Dinks."

This year the Barons ended their basketball season with a 9-7 record which put them in fourth place in District III competition. However, next year Bluestone can look for an even better record with 11 returning lettermen.

The Barons saw outstanding play from Bobby Griffin and Peter Davis. Sophomore Peter made the All-Tournament Team and honorable mention on the All-District Team.

The Barons were hurt by the loss of two first string players, Jerry Dalton and Randy Thompson during the early part of the season.

FOURTH PLACE

Brunswick - December 7

The more experienced Brunswick team defeated Bluestone in its first game 58-44. The Bulldogs employed a full-court press for the entire game with their foul shots helping their score. Peter Davis was the Baron's high scorer with 15 points.

Kenbridge - December 11

Bluestone, trailing by 9 points at one time, came from behind to win 49-46. Play was sparked by fast breaks and full-court presses by both teams.

Amelia - December 14

The Barons defeated the Amelia Orioles 54-48. Jerry Dalton pumped in 20 points bringing the Barons into the lead.

Park View - December 18

Bluestone's Barons were defeated 44-27 by their old rivals, Park View, on Bluestone's home court. Foul shots, including three technicals against the home team, slowed down the action.

Crewe - January 4

The Barons, dominating play in the second half, held the Crewe Railroaders to 8 points in the second period for a 38-31 victory.

Brunswick - January 8

Bluestone was defeated for the second time by the highly favored Brunswick Bulldogs. The Barons held the more experienced team to a tie until the fourth quarter when they fell behind 52-39. Peter Davis led Bluestone's effort with 18 points.

Blackstone - January 11

After a defeat by Brunswick, the Barons returned home where they trounced Blackstone 65-44. The Barons took advantage of several Blackstone mistakes to come out the victors.

Kenbridge - January 18

The Barons moved up to third place in District III basketball competition by edging the Comets 50-48 in a hard-fought contest. With only a few seconds remaining, Harris Lee Seaton sank a foul shot which gave the Barons a two point lead and the game.

Randolph-Henry - January 25

The Barons met and over-ran the Statesmen with a score 54-40. The Barons led throughout the game and finished with a big fourth period by holding the Statesmen to five points.

Buckingham - January 29

Bluestone soundly defeated Buckingham on Bluestone's home court 70-47. The big quarter for the Barons was the third, in which they scored 26 points.

Randolph-Henry - February 5

Again Bluestone met with Randolph-Henry and during the first half it seemed to be a repeat performance with the Barons leading 41-28. However, the Statesmen rallied late in the game winning with foul shots. The clock ran out on the Barons and they lost 61-58.

Greensville - February 8 and 9

Nearing the end of the season, the Barons fell into a slump, winning only one of four games. After a defeat by Randolph-Henry, the Barons dropped another to Greensville 49-43.

The next night the Barons rebounded with a 58-28 victory over the same Greensville Eagles. Starting off very slowly, the Barons came back with a bang to win by 30 points.

Park View - February 15

Bluestone met the Dragons for their second game of the season on February 15. The Richmond TIMES DISPATCH described the game as the most important game of the week. Late in the game the Barons rallied to almost upset the highly favored rivals when they took a one point lead. However, the Dragons pulled themselves together and took the lead never to lose it again. The game ended 42-36.

Victoria - February 22

The last game of the regular season, the Barons played a strong Victoria team, which at this time was resting on a six game winning streak. The Barons played excellent ball after halftime and defeated the Panthers 78-69.

The Baronettes were defeated in their first game of the season, December 7, by the Brunswick girls' team. After four quarters of hard work for both teams, a close score of 21-19 was final. Patsy Edgerton was high scorer for the Baronettes with 8 points.

The Baronettes lost their second game to Amelia, the final score being 27-23. The Amelia girls overtook the Baronettes in the second quarter with a 15 to 6 lead, and held the lead throughout the entire game. Esther Royster, scoring 10 points, was high scorer for the Baronettes.

Brownie Sales Goes In For A Lay-up.

The Baronettes defeated Blackstone, for their second victory of the season on January 11. After the fourth quarter, the score was tied 35 to 35. The tied score led into a 3-minute overtime, which ended in a 38-35 victory for the Baronettes. Brownie Sales led the Baronette scoring with 12 points.

The Kenbridge Comettes defeated the Baronettes, January 18, after a two minute overtime. The Baronettes overpowered the Comettes during the first two quarters of play, but a Comette come-back held down Baronette scoring in the second half. The final score was Kenbridge, 37; Bluestone 34. Esther Royster was the high scoring Baronette, with 16 points.

The Baronettes secured an early lead and held it during the entire game against the Randolph-Henry girls' team. The game, played January 25, ended with Bluestone, 43 and R-H, 30. High-scoring Baronette was Patsy Edgerton, with 22 points.

DISTRICT COMPETITION

J.V. TEAM

The Bluestone Junior Varsity Basketball Team, the early season championship favorite, ended the 1962-'63 season with a disappointing 3-5 record.

In their first game with Kenbridge, the JV's lost by one point, 23-22, in the final seconds of the game. They suffered another defeat at the hands of Park View by a score of 44-27. In their third game, however, the Bluestone JV's trampled the Brunswick Bulldogs 42-21 for their first victory. In a return match with Park View, they were defeated by a score of 33-27. Later, in a non-district tangle, they were defeated by Halifax in a close game, 30-27.

In a home game on February 5, the Bluestone JV's over-ran the Randolph-Henry Statesmen, 34-10. The JV's allowed the Statesmen only 4 field goals during the entire game.

In a return game at Bluestone on February 7, the Little Barons avenged a former defeat by trouncing Halifax 47-32. John Pool led Bluestone's scoring with 11 points.

The JV's final game of the season was lost to Greenville by a score of 37-28. High Scores for Bluestone was Larry Hite with 10 points.

BHS opened its baseball season by defeating Greenville High 11-3.

Next the Barons took advantage of 3 Victoria errors in the first inning and scored 4 runs to defeat the Panthers 9-5. Ronnie Ramsey hit a 325 ft. homer in the first inning.

Bluestone's third game of the season was the Barons' first defeat. Jimmy Ramsey drove in Bluestone's only run with a single that scored Ronnie Ramsey, who had doubled. At the end of the 7th inning, Randolph Henry was leading 5-1.

The following week the Barons came back by defeating Brunswick 2-1. Randy Thompson was the winning pitcher, allowing 4 hits and striking out 11.

Park View, winning 5-4, was Bluestone's second loss. The Barons rallied for 4 runs in the 6th and 7th innings. The bases were loaded in the 7th inning, but they were unable to make that all-important score.

When the Barons met the Comets, sophomore Johnny Talley pitched Bluestone to a 2-1 decision over Kenbridge. The winning run was scored in the 9th inning as the Comet catcher dropped the ball and allowed BHS to score from 3rd.

HOMEcoming COURT

Homecoming—that wonderful night for returning alumni and for eleven lucky girls. These girls, members of the Homecoming Court, are chosen by the football team. The senior girl with the highest number of votes is the Homecoming Queen.

October 26, 1962, was filled with excitement. The Homecoming Parade was Friday afternoon—and then came the big night. During the half-time of the game with Greenville, the court was presented. The Homecoming Queen was crowned at the annual Homecoming Dance after the game. Each girl was given a miniature football autographed by the football players.

In a scene reminiscent of those created by Margaret Mitchell, all the majesty, grandeur, and brilliance of the old South came alive the evening of April 14, when approximately four hundred fifty Southern belles and beaux were guests at the picturesque 1962 Junior-Senior Prom. The setting was a lawn party at beautiful eighteenth-century Prestwould Plantation, recreated in the school gymnasium. Under a starlit sky, all the guests danced on the fascinating lawn to the music of the V.M.I. "Commanders."

Throughout the week, the representatives from Virginia high schools learned the work of the government of city and state, including taking responsibilities of various offices.

The atmosphere of unity and friendship keep the memories of Girls' and Boys' State vivid and long-lasting.

At the beginning of the week, the girls and boys alike are divided into parties, Nationalists and Federalists, and also into competing cities. Each Girls' State city has a brother city of Boys' State. On Thursday afternoon, the girls visit V.P.I., and the boys visit Radford on Friday night to attend the Governor's Ball.

Dear Miss Albertson,

This year is almost over. In nine days school will be out and I may never see you again. I hope we do ~~meet~~^{meet} again some day.

I have often wished that I could turn back the clock hands of time to the first day of school last year. Then all the wonderful things that have happened could happen again.

I will never forget you. It is always a pleasure to do things for you. I will be very glad to help you in any way that I can this year. I will never forget the last day of school last year. I remember, too, the cake and hamburger I had at Hugh's. Maybe this year I can repay you.

I am very glad that you came to Bluestone two years ago. You are one

JEFFREYS-SPAULDING MANUFACTURING CO., INCORPORATED

of the best teachers I have had since I started school. I hope I wasn't too much trouble last year in your English class. I hope, too, that I wasn't in your way this year. I tried not to be.

I will never forget all the times you have taken ~~to~~ me home. I think you like the country too. I love to take walks by myself through the woods, and when I do, I always find myself thinking of you - wondering where you are and what you are doing. You are always in my thoughts. I think of Miss ^{Chase City, Virginia} Sheffield at times too. I really like her too.

I hope you know I like you because I do - very much. Although you are leaving and going to Maryland, my thoughts will be ^{with} you always.

I have never been able to express my thoughts very well in writing. I hope you can ^{understand} ~~figure~~ from what I have written, what I mean. I wish you much happiness ^{for} the future.

I know it hasn't been easy for you here ^(at Bluestone) but I have tried, in my own

small way, to help you through your ~~last~~ two years at Bluestone. I only hope I was of help.

Love,

Linda Hamblen

TO

THE CLASS
OF 1963

Shirley,

I'm so glad you
ask me to write a
few lines in your
yearbook, so here they
are: !

All kidding aside,
I really have enjoyed
being in your class
this year. I hope I
haven't given you
too much trouble.

Best wishes.

Willard Speate

4th period

Mrs. Albertson

I have enjoyed having you as a teacher
this year and hope to see you next year.
It seems like I was a bad boy at the first of
the year but you straighten me out. Thanks

yours only
(Kennice D. Bray)
Good looking

Miss Albertson,

Well, this year has finally come to an end and I guess we all have many happy memories to carry out with us. I really enjoyed having you as an English teacher. Besides from being just a teacher to me you are a person that I feel I could discuss my problems with, you are very understanding and a very co-operative teacher. By Best Wishes goes to a very nice and understanding teacher. Hope to see you around some this summer.

Love,

Carolyn Rogers
4th period English Class

Miss Albertson

I have enjoyed having you as a teacher this year. I hope to see you at summer school.

Donald Cottrell

Miss. Albertson,

I have enjoyed so much being in your English 10 class this year. I really think you are the cutest teacher I have. I think you have the best North Carolina accent of any person I've heard talk. Well, best of luck and have a wonderful summer.

P.S. I'm glad you're not grading me on writing
Love,
Linda Dagenhart

Miss Albertson,

I've enjoyed being in your class this year. (I stayed in the office just as much almost as I stayed in here)
Best of luck to a real sweet nice, & cute teacher!

P.S.

Have a nice summer, and I'm really going to miss you.

Love
Ann Beames

Miss Alaferson,

I certain have enjoyed having
you as my English teacher this
year. We certainly have had our
ups and downs, but all in all
it was fun and helpful to me.
Lots of Luck to one of the
best teachers at Bluestone. Hope
to see you in the coming years.
(Stanley)

(P. 5.) I promise
not to forget
my English book
again.

Mrs. Albertson,
I can truthfully say that
you really are one my favorite
teachers. Good Luck

Love,
Sally

Miss Albertson,

It has been a pleasure being in your English
10 class. I'm sure I have given you a hard
time sometimes, but I really didn't mean
to. The year has almost past for school, it
doesn't seem like it has been that long.
You have been a wonderful person, as a
teacher, also as a person, too. I wish you
would be here next year, so I could have
you for English.

May God Bless you!

Love Ya!
Shirley Elliott

P.S. Have a wonderful
summer, & I hope to see you
next year. Best wishes & good
luck to you and yours always.

Miss Albertson,

I have really enjoyed your class this year
esp. the literature. You are one of the
nicest teachers I have. T.T. and I may
have given you a hard time sometimes
but we were just kidding. I hope you
have a good summer and have plenty of
dates. I hope I'll see you next year.
I'll miss you teaching me English next
year.

Larry Dites

Miss Albertson,

Gee, hasn't this year flown by.
Seems like just a few weeks ago
when school started. I hope I haven't
given you too much trouble. I think
you've finally got me straight
out. Laying all jokes aside, I really
enjoyed this year. Best I had in
the future to a real ~~cute~~ nice
girl.

Love ya!

Mursey

BEST OF LUCK IN

P.S.
I love you

Miss Albertson,
I sure have enjoyed
having you. You seemed to
this year. I seemed to
do better this year.
I don't you agree.
Best of luck to a nice
person.
Love ya!!
"Froggy"
Williamne

Miss Allerton,

I know you probably hate me but I still think
you, ^{all} a good teacher and a wonderful person. It
would take a wonderful person to put up with
the foolishness given you by your 6th period
English class, but we really appreciate you for
we are just kids looking for a good time. I
really am glad you helped me in writing those
articles this year -- I hope you see some ~~so~~ more
of my writings some day. - (in the hall of fame) ha!
In closing, I would like to wish you the best
of everything in the future.

P.S.

Hope I'll see you again
someday - (after this year)
Wayne

Best always.
Watch the "men".
Remember me!

"Miss A."

This year has really flown by!
You aren't really as bad a teacher
as I heard you were!! (HA, HA,) I
have really missed calling grades,
riding to Hughs, fussing and
teasing like we did so much
last year. Sorry you are leaving
'ole Bluestone I would say
write to me but I know how you
write!! (Never) Your folks were
really the greatest, and I will
miss hearing of them through you.
Don't forget when you get married
to let me know about the "big"

Miss Albertson,
It has been a wonderful
year to have you as an
English teacher and for the amount
of trouble I didn't cause you to much
to see you some more in the future. I hope
luck to you wherever you may go.
Love always,
Deane Greene

Miss Albertson,
I bet you're glad school is out
and now you can get some rest from
us. Be sweet and you're a swell
teacher.

event? I hope
our class
hasn't really
been to much
worry. I know there
were some times when
you could have shot
all of us. Working on
the school fair wasn't
really something, I wasn't
it? (No pens or tape
at first!!) The monitor
will really help miss
your year. I really next
wish you all
the luck in
the world
and don't
forget me!!
Mary Anne

Miss Albertson
This has
been one year,
especially in
English. We've
had some bad days,
some good days,
some teasing, some
"C's" in citizenship,
but we made it didn't
we. Best of luck to a
real sweet (HA-HA) teacher.
Don't give the mean to
hard of a time. See you
around. Always.

Larry Newcomb
(1st period)

Miss Albertson,
It was nice having
you for an English teacher
in 1961-62. It was also nice
having you for a home-room
teacher, too. Good luck and best
wishes.
a student.
Dianne Keeton

Miss Albertson,
you are a real "looser", the way you
flirt with the men, it's just a-
markable. I hope you continue teaching
so that maybe with a little luck
you will finally ~~earn~~ earn
now! (just kidding). Be good. Have

a nice vacation, and for goodness
sake don't work too hard. Having
run out of time I will end in saying
that I've really enjoyed having a teacher
to kid with this year.

Love
LW Newcomb

P.S.

I bet it made you mad the way I ended the letter.
and I know the P.S. made you mad.

Miss Albertson,

I have really enjoyed having you as my English teacher. You are one of the sweetest teachers I ^{have ever} known. I hope that you will be here again next year. I have gotten to know you quite well and think that you ~~are~~ have a wonderful personality.

P.S. I have also enjoyed teasing you!

"Gore & Stuff"
Jean Pruitt
(4th Period)

Miss Albertson,

I have really enjoyed having you as my English teacher. I think you are the sweetest little thing that I ever saw. I never had a teacher before that I could talk to, if you know what I mean. I know that I have a big mouth and you know that I like to run it. Sorry I've been so bad, but I couldn't help it. Best of luck to a wonderful person.

Lots of love Always,
Vivian Gordon
(4th period)

Edna Alberta,

Be not alarmed 'cause I'm just going to sign your annual. I have really enjoyed having you as my English 10 teacher. You are really a wonderful person and teacher. I only wish you could be here next year so I could see your smiling face. I hope the class hasn't given you too much pain in the neck. Maybe it will get well by next year. I hope you will come back at least when we graduate. I hope I will get to see you before then. Have a nice summer vacation and go easy on your next year's class. Stay as sweet as you are now and I'm sure you'll go far in life. Be good!

Love always,
"Patsy"

Miss Albertson,

Sure has been a pleasure being in your class. You are a real sweet, cute, & nice teacher. I have really learned something in English this year. I will miss you & your smiling face next year. I'll remember you always. I think you will go far in life if you stay as sweet & kind as you are now. Best of luck to you & your "Someone Special" always. Have a nice summer.

Love ya!

Miss Albertson,

May 22, 1963

I have sure enjoyed being in your English class this year. Me and you may haven't every got along together, but I like you just ~~as~~ the same. I might go to sleep in your class, but I really have learn something this year. I am aiming to go to summer school, if you are teaching, I hope I get you. Good Luck in the future.

John Wayne

Miss Albertson,

I truly have enjoyed having English under you this year. It seems like I just entered the 10th grade and here it is at its end. I am looking forward to next year and working on the Monitor Staff with you. I'm so happy I got on the staff. Best of luck always in everything you do, it couldn't happen to a nicer person. Hope you have a nice summer! See you next year.

Always,
Linda J.
